“Our series is so thankful to be able to continue our marketing partnership with Summit Racing Equipment and once again welcome them back as our tour’s title sponsor they have helped shape the AMS to what it is today”, stated series President Jeff Crawford. “Summit Racing Equipment’s involvement with our series allows everyone associated with our tour the means to present highly competitive UMP Dirt Car Modified competition at several great racing venues around the Midwest and allows the racers to compete for great purses and now a bigger than ever season-ending points fund”, added Crawford. “The Summit Racing Equipment American Modified Series will embark on its ninth season of competition in 2018 and we are very appreciative to Summit Racing Equipment for not just their involvement in our tour, but with dirt track racing in general”, concluded Crawford.

\$20,000 to be paid out in 2018!!!

Series officials are excited to announce the largest prize fund in Summit Racing Equipment American Modified Series history that will payout **\$20,000.00** to the top 10 points earners in 2018 a increase of \$5,000 compared to 2016. Series President Jeff Crawford stated “with the new rules package for competing for a championship in the AMS and our hopes of increasing the following of the series we are being super aggressive in our points fund that will pay the top 10 as long as they are members in good standing regardless if they have raced 2 events or 20. I spent a few days talking

to current series competitors, past champions and guy that have committed to 2018 and we decided it was best to spread the wealth down the line so we kept the 1st place money the same as 2016 but increased significantly 2nd-10th places with the main goal to draw more racers to follow the series. The new rule is that we will take your top ten (10) best races of the season to determine our point's championship. Our goal once again is to make it easier for the working racer to compete in our series without having to be at every event".

The 2018 Summit Racing Equipment American Modified Series season championship point's fund will pay out as follows:

1st- \$5,000, 2nd- \$3,000, 3rd- \$2,500, 4th- \$2,000, 5th- \$1,500 6th- \$1,400 7th- \$1,300 8th- \$1,200, 9th- \$1,100, 10th- \$1,000.

The Summit Racing Equipment American Modified Series is also pleased to announce it will continue its working relationship with the UMP Dirt Car Modified organization, as the UMP Dirt Car organization will have its officials at all series events to handle technical inspection of the race cars.
