TRI CITY SPEEDWAY

Michael Long Wins Summit Racing Equipment AMS Deuces Wild at Tri City Speedway

The Summit Racing Equipment American Modified Series would begin the 10th season of racing at the Tri City Speedway in Pontoon Beach, IL on Friday night. Michael Long from Fowler, IL would drive to victory in his Rage Chassis #18L entry and collect the \$2,000 pay day.

Steve Meyer and Lucas Lee would lead the field of 22 starters to green on Friday night. Lee would grab the early lead off turn two on the opening lap followed by Michael Long and Steve Meyer. The event's first caution would be displayed on lap-5 for a turn three accident involving Wade Wenthe and Vance Wilson. On the lap-5 restart, Long would take over the lead position and begin to pull away from Lee as the event approached the halfway-point. The event's second caution would fly on lap-12 as Lucas Lee would suffer right front suspension damage thus ending his night. Several attempts on the lap-12 restart would see drivers suffer damage from multiple incidents, which included Jim Black, Derrick Black, Kenny Wallace, Dave Wietholder, and Steve Meyer. As the event would inch closer to the final 10 laps, Trent Young and Mike Harrison would have an intense battle for the second position as the duo attempted to chase down leader Michael Long. However, Long would prove to be too strong for the competition and collect the season opening victory of the 2019 season. Mike Harrison would take runner-up honors followed by Trent Young. Timmy Hill would claim fourth and Trey Harris would complete the top five.

The remainder of the top ten at the completion of the Summit Racing Equipment A-Main at Tri City Speedway would be Robbie Eilers, Brian Shaw, Kenny Wallace, Josh Harris, Mark Lamont.

The next event for the Summit Racing Equipment American Modified Series will be April 13th at Fayette County Speedway. The event will pay \$2,000.00 to the winner.
