

AMS RESCHEDULES RICHMOND & CEDAR RIDGE EVENTS

FOR IMMEDIATE RELEASE

(July 15, 2021) – The Summit Racing Equipment American Modified Series has some schedule updates to announce. Last weekend's event that was rained out at Richmond Raceway in Richmond, Kentucky has been reset for Saturday August 7th. The event will pay \$5,000 to win and the times for gates and on track activities will be shared as we get closer to the date.

Also, this coming weekend two-night Hope for Harlie race at Cedar Ridge has been moved to August due to the threat of unfavorable weather conditions forecasted for the weekend. All involved thought it was in the best interests to reschedule. The Hope for Harlie event is now scheduled to take place on Friday August 20th and Saturday August 21st. Once again, all gate times and on track activities will be updated as we get closer to the event.

Reminder that we are still on for the 1st Annual Tim Wolfe Memorial race this coming Sunday at the Terre Haute Action Track. This is going to be a very special event to honor the life of the late Tim Wolfe

that gave so much to the racing community over the years. Special bonus is being given out to all who make the race. A driver who makes the feature event is guaranteed \$500 to start. Not only a great night of honoring Tim but also a great way for the Wolfe family to continue the family legacy of giving back to the racer.

The Summit Racing Equipment American Modified Series will be at the Terre Haute Action Track for the 1st Annual Tim Wolfe Memorial Race on Sunday July 18th.
