The Summit Racing Equipment American Modified Series completed round #13 of the 2018 season Friday night at Cedar Ridge Speedway. Utica, KY's Josh Harris would take home the \$2,000 victory in his #22 MBR Chassis entry.

Peyton Harlow and Trent Young would lead the 23-car starting field to green for 30 laps of fast paced action. Young would grab the lead off turn two as the field completed lap one. Josh Harris would quickly move into second place in the early stages of the event and quickly begin to pressure Young for the top spot. Tait Davenport would bring out the event's first caution with a flat right rear tire on lap-10. On the restart, Young and Harris would run side-by-side with Harris overtaking Young for the lead as the pair would complete lap-11.

Young's night would end a few laps later as he would exit the speedway at the mid-way point of the event with mechanical issues. Harris would continue to edge away from now second place running Kenny Wallace as the race neared the finish. The event's final caution would fly on lap-28 as Peyton Harlow would slow with a flat right rear tire. On the restart, Harris would quickly power away from the field on the restart and claim his third series victory of the 2018 season. Kenny Wallace would take second and Scott James would complete the podium finishers. Allstar Performance Hard Charger Brandon McDowell would take fourth and Chad Boone would round out the top five.

The remainder of the top ten at the completion of the Summit Racing Equipment A-Main at Cedar Ridge Speedway would be Blaze Melton, Chris Cole, John Clippinger, Peyton Harlow, and Trent Young.
