Trent Young Wins Summit Racing Equipment AMS All-Star Shootout at FALS

Fairbury, IL (May 28, 2016/July 29, 2016)- The Summit Racing Equipment American Modified Series returned to Fairbury's American Legion Speedway on Saturday evening for the AMS All-Star Shootout that was postponed due to rain on May 28 after the heats and first B-Main and Trent Young of Hopkinsville, KY would score his fifth series win of the season. The win would be worth \$2,000 and would come behind the wheel of the Dave Mitchell owned Snap-On Tools/Mitchell Tools and Motorsports/Ted Brown's Quality Paint and Body/R&S Equipment/Emma's Place/Young's Well Service/Kissinger Red Angus sponsored #10Y Bandit Race Car, SPEC Race Engines powered mount.

Ray Bollinger and Jay Ledford would battle for the lead on the opening two circuits before taking command on lap 3 as the first of eight cautions waved. Bollinger would again be pressured by Ledford until Ledford would take the lead on a restart on lap 10. Ledford would keep command of the lead, while Bollinger and 7th place starting Mike Harrison would engage in an entertaining battle for second and would close in on Ledford by lap 20. However, disaster would strike for Bollinger and Harrison as the duo would tangle in turn one on lap 25 and Mike McKinney would also be collected, with his mount flipping to trigger a red flag situation. The restart would now see 6th place starter Trent Young now be in second and as the pair battled for the lead, contact occurred between the duo exiting turn two on lap 26 and Young would take lead, with Ledford pulling to the infield with a flat right-front tire. Young would lead the way to the checkered flag, with hard charger Jeff Curl advancing from 18th to finish second, while Josh Harris would claim third. Matt Cooper and Lance Dehm would complete the top five.

The remainder of the top ten at the completion of the AMS All-Star Shootout A-Main would be Steven Brooks, Brian Shaw, Jeffrey Ledford, Bollinger, and Luke Gash. The event would slowed by eight caution periods, one of which resulted in a red flag.

In preliminary action, Jay Ledford was the Quick Car Racing Products top qualifier among 41 entries at 14.148 seconds. Summit Racing Equipment heat one went to Ray Bollinger, while Jeffrey Ledford scored the win in Fast Shafts heat two. Hypercoils heat three went to Jay Ledford, with Tait Davenport winning Frankland Racing Equipment heat four. The Out-Pace Racing Products B-Mains were won by Jeff Leka and Tyler Nicely, while Mark Lamont and John Clippinger would be the series provisional starters.

The next events for the Summit Racing Equipment American Modified Series will take place on Labor Day weekend at Farmer City Raceway on Friday September 2 (\$3,000 to win), Fairbury's American Legion Speedway on Saturday September 3 (\$10,000 to win), and Spoon River Speedway in Canton, IL on Sunday September 4 (\$5,000 to win).
