

PRESS RELEASE

Fairbury Recap

The Summit Racing Equipment American Modified Series made the trip to Fairbury Speedway on August 31st. The 7th Annual Casey's Modified Nationals were on tap. A new format was in place this season with twin \$5,000 to win features taking place. An impressive field of 65 cars signed into the pits.

The night kicked off with Quick Car Racing Products Qualifying. Nick Hoffman Of Mooresville, NC was the fast qualifier with a lap of 13.630. Eight heat races then took place over the fast quarter mile oval. The eight heat race winners were:

Frank Marshall
Victor Lee
Rodney Standerfer
Kyle Hammer
Nick Hoffman
Tyler Nicely
Michael Long
Allen Weisser

Two Out Pace Racing Products B mains were contested as well. Ryan Ayers and Brandon Roberts picked up the B main victories. In the odd numbered feature it was Hoffman dominating the 40 lap event. Current runner up in the American Modified Series points standings, Trent Young picked up a solid second place finish. Utica, KY driver Josh Harris came home third. Michael Long was fourth and David Stremme rounded out the top five.

In the even numbered feature it was Mike McKinney from Plainfield, IL picking up the win. Current points leader with the American Modified Series, Tyler Nicely checked in second. Victor Lee from Danville, KY finished third. Jeffrey Ledford was fourth and Allen Weisser was fifth.
