### ***Harrison Scores Summit Racing Equipment AMS Casey's Modified Nationals Victory at FALS***

Fairbury, IL – September 2, 2017 - The Summit Racing Equipment American Modified Series would roll into Fairbury's American Legion Speedway in Fairbury, IL on Saturday evening for the Casey's Modified Nationals and the result would be the same as the night before as Mike Harrison of Highland, IL would pick up his fourth win with the tour in 2017 and record his thirty-second UMP Dirt Car feature victory of the season with the victory and bag the \$10,000 first place prize money.

Mike Harrison would take the lead at the start of the 50 lap, \$10,000 to win event and would maintain his spot on the point until lap nine when Ray Bollinger would drive past Harrison for the race lead. Bollinger and Harrison would battle for the lead until Harrison reclaimed the top spot on lap fourteen. Allen Weisser would get in the mix at this point and Harrison's second stint as the race leader would be short-lived as Weisser took the race lead on lap sixteen. The first caution of the event would wave on lap twenty-three when Bollinger, who was running second at the time, would slow in turn two with broken rear suspension. Weisser would maintain the lead on the restart until the caution waved again on lap twenty-eight for a brief rain shower that passed over the track. When racing resumed, Harrison would take the lead for the third time in the event, taking it away from Weisser until Dylan Woodling spun on lap thirty-four to draw the caution. On the restart, Weisser would retake the race lead from Harrison, but action would be slowed again on lap thirty-six for a three-car tangle on the frontchute involving Brian Shaw, David Stremme, and Jay Ledford. This restart would see Weisser maintain the lead until lap thirty-nine when Harrison would take the lead in the contest for the fourth and final time. One final caution on lap forty-three for debris in turn one would slow the action, but Harrison would not relinquish the top spot again on his way to the \$10,000 victory. Brent Mullins finish in the runner-up slot, with Super Late Model ace Ryan Unzicker driving to a third place finish. Devin Gilpin would charge from the 19<sup>th</sup> starting position to finish fourth and 18<sup>th</sup> place starting Levi Kissinger would complete the top five.

The remainder of the top ten at the completion of the Casey's Modified Nationals A-Main would be Mike McKinney, 23<sup>rd</sup> place starter and hard charger award winner Jeff Curl, 17<sup>th</sup> place starting Michael Long, 15<sup>th</sup> place starter David Stremme, and Danny Schwartz.

The next event for the Summit Racing Equipment American Modified Series will be Sunday September 3 at Fayette County Speedway in Brownstown, IL paying \$5,000 to win.
