Josh Harris Takes Summit Racing Equipment AMS Patriot 100 at Lincoln Park Speedway

Putnamville, IN – September 16, 2017 - The Summit Racing Equipment American Modified Series would make its first-ever visit to Lincoln Park Speedway in Putnamville, IN on Saturday for the 14th Annual Patriot 100 and Josh Harris of Owensboro, KY would walk away at the end of the night with the victory and \$4,000 first place prize money.

Tait Davenport would take the early lead in the 14th Annual Patriot 100 contest before the first caution waved on lap three for debris on the frontchute. The restart would see only one more circuit completed before Ron Pruitt lost control of his mount in turn four and collected Tony Houk, Jeff Deckard, and Sydney Landers in the incident. Back underway, Davenport would maintain the race lead until Josh Harris would challenge for the top spot and go to the point of the event on lap twenty-four. Harris would maintain the lead for two laps until caution waved on lap twenty-five for a spin by Rob Brickert in turn two. The restart would see Davenport muster the strength to reclaim the race lead, but Harris would not settle for second as he would retake the lead from Davenport on lap thirty-three. Rob Brickert would draw his second caution of the event on lap forty-eight to slow the action and the caution would wave again on lap 51 to signal the ten minute halfway break in the event to allow drivers to have their cars fueled and so forth for the remainder of the event. The restart to the second half of the race would see Harris maintain the race lead and the pace would be slowed on lap sixty-six for a spin by Michael Fish in turn two. Racing would resume for five more circuits before Derek Groomer would slow on the track in turn two on lap seventy-one. With Harris still in command, Davenport and Danny Schwartz would battle for the second position and Schwartz would eventually win the battle for the runner-up slot, but his night would end prior to the conclusion of the contest as Schwartz would draw the caution on lap ninety-four with mechanical issues. This would set up a sprint to the finish as Davenport would now challenge Harris again for the lead and with five laps remaining, Davenport would work under Harris in turn one as Harris jumped the cushion a bit in turn two. The pair would race door-to-door and make slight contact down the backchute entering turn three, but Harris would power by Davenport exiting turn four to retake command of the event and see the checkered flag first. Davenport would settle for the second position, while Gabe Menser would complete the podium finishers with a third place effort. Brian Shaw and Richie Lex would complete the top five.

The remainder of the top ten finishers at the completion of the 14th Annual Patriot 100 A-Main would be Paul Bumgardner, Jordan Wever, twentieth starting and hard charger Cole Parker, James Walters, and Michael Fish.

The next events for the Summit Racing Equipment American Modified Series will be Friday September 22 and Saturday September 23 at Peoria Speedway in Peoria, IL for the 3rd Annual Fall Classic. The Friday September 22 portion of the event will pay \$3,000 to win and \$225 to start and the Saturday September 23 portion of the event will pay \$5,000 to win and \$250 to start.
