Summit Racing Equipment American Modified Series Rained Out at Farmer City September 4

Farmer City, IL-September 4, 2015- The Summit Racing Equipment American Modified Series event scheduled for Friday September 4 at Farmer City Raceway in Farmer City, IL would fall victim to Mother Nature for the second straight year as rains moved through the area, forcing the postponement of the racing program.

With 65 entries signed in for action, Mother Nature would intervene on the planned activities for the night at Farmer City Raceway. Track and series officials are working to find a suitable make-up for both the track and the series.

The Summit Racing Equipment American Modified Series presents UMP DirtCar Modified sanctioned dirt track entertainment at racing venues throughout Kentucky, Indiana, Illinois, Ohio, and Tennessee.
