Summit Racing Equipment American Modified Series at KY Lake Cancelled

Glasgow, KY- September 27, 2015- The Summit Racing Equipment American Modified Series is saddened that the event scheduled for Kentucky Lake Motor Speedway in Calvert City, KY that was originally scheduled for September 26, but was postponed due to a schedule conflict with a local festival will now be cancelled and will not take place.

Track officials at Kentucky Lake Motor Speedway announced earlier this week that operation of the track has ceased due to the state of Kentucky declaring the right of eminent domain and taking a large portion of the track property to begin a highway construction project in that area. Officials with the Summit Racing Equipment American Modified Series are saddened to see such a great racing facility go by the wayside and wish track owner Ronnie Jones and his staff nothing but the best in their future endeavors and send out a warm thank you for hosting the series during the 2015 season.

The next event scheduled for the Summit Racing Equipment American Modified Series is the 2015 series finale and will be the 6th Annual Summit Racing Equipment American Modified Series Season Championship event at Florence Speedway in Union, KY on Saturday October 24 that will pay \$5,000 to the winner of the 40 lap main event and also culminate with the crowning of the 2015 Summit Racing Equipment American Modified Series champion.

The Summit Racing Equipment American Modified Series presents UMP DirtCar Modified sanctioned dirt track entertainment at racing venues throughout Kentucky, Indiana, Illinois, Ohio, and Tennessee. For more information concerning the Summit Racing Equipment American Modified Series, contact series race director Jeff Evans at (859) 358-7178 or by email at jdevans@live.com or by visiting the series social media outlets at www.americanmodifiedseries.com, on Facebook at [facebook.com/pages/American-Modified-Series](https://www.facebook.com/pages/American-Modified-Series), and on Twitter @AmericanModSeri.
